Garfield Neighborhood, Pittsburgh, PA • 2004- 2008 • Phase IV in 2011

Construction of 21 detached single-family homes for the Bloomfield-Garfield Corporation and Garfield Jubilee Association. Three- and four- bedroom, compactly designed homes, some with integral garages, were individually designed to adapt to various topographies on infill sites scattered throughout the neighborhood. Phase III-IV homes were designed and built to exceed Energy Star qualifications.
